### Adjudicators remarks -

Some untidy moments in opening 11 certainly bright but all is going in & well balanced  
82 Flug secure but under pitch & much too fast wrong style portrayed 115 again fast mostly ok but at times untidy & some of detail lost  
154 so untidy 179 not all detail heard generally not all dynamics used, so lots of effects are lost & rushing doesn't help.  
228 Grandioso - not - speed!!  
248 Well done S/Coronet 272 better 279 again bright percussion generally blend well.  
312 good - good close

Very mixed performance for me this, some tuning issues & tempos left us feeling uneasy at times & not consistent

Thanks

### Adjudicators remarks -

Not at all secure to open.

(11) Very bright tempo - Scramble to opening bar.  
Settles quickly & flows well.

(80) Flugel opens well just a slight stumble;  
from 0k - this feels fast for a 'laid back'  
style. Again Flug has slight stumbles to close.

(115) Bright tempo (154) lacks detail.  
This just feels too fast. dynamics are  
well handled.

Detail is not clear in many places here  
due to over bright tempo, it feels too fast.

(218) Troms insecure!  
(240) well done, etc.  
(272) touch heavy of mp dynamic.  
279/80. the feel again. just seems a  
touch bright for the ensemble.

Good sounds to close.  
Lots to enjoy, tempo caused unease at times  
Slight soloistic clips & blips, Troms insecurity &  
some ensemble tuning issues.
