Confident start but not always clean. [B] Good Flugel work noted. [C] Good controlled play. and Good euph Solo [H] Good cornet solo [J] Good mood change and well controlled dynamic. [K] again good Flugel / euph and cornet work noted. [M] Rep Dp very sharp. Nice bass line before [N] [N] I would like smoother playing please. [O] Good Sop work. Slight blip before [P] did spoil the flow. Euph Solo is well played with good style and gen good tuning. [Q] Good Sop. [R] Good cornet. and then continues through [S] Horn not always secure. [T] Tuning problems but fine control. Meno Mosso we did overblow !! Grave could have been softer. [V] Not a tidy start, Horns have problems with the technical line. [W] Good style and gen dynamic was controlled just a shade O.T.T. to end.

Some fine playing in this Performance.

Well done all

Thank you.
