FEST MUSIC

A solid sound to open - There are interaction issues in Cornets, Calando is well directed by MD, and ~~not~~ nicely shaped. Flutes not quite together to close.

Blue Rondo

A little ~~hesitant~~ hesitant to open but good dynamics. Well done solo corner. A good S76.

I wish You Love

A good S76 and MD shapes the music well. Well done Soloist

ON MAN RIVER

Good sounds and fairly well played -
Some detail not ~~clear~~ always clear.
Good percussion. A good finale

A well balanced programme that was
fairly well played. A good dynamic
range but there were some hesitation
entries and ensemble was not always
precise.

Thank You
